**Colorado – Meta Proposal**

**MDL 3047 – 2024-12-20 Agency Discovery JLB**  
**Colorado – Meta Proposal**

**Custodians:** Meta proposes that the above search terms be run on each agency’s custodial documents (including email and other custodial data sources), and relevant non-custodial data sources, that cover the entire period from January 1, 2012 to April 1, 2024, which encompasses the same time period from which Plaintiffs seek discovery, and have plead as the “Relevant Time[]” in Plaintiffs’ Complaint. *See* ECF No. 969; MDL Compl. ¶ 19 (alleging a “Relevant Time[]” that starts “no later than 2012”).

Meta proposes that the search terms set forth above should be run against at least the custodians listed below. Custodians designated with an asterisk (\*) have been affirmatively proposed and agreed to by the Colorado AG’s office during the course of the Parties’ negotiations. To the extent that the custodians below do not cover the relevant time period or all relevant topics for each agency, the State and/or agency should propose additional custodians to Meta, and Meta reserves the right to select additional custodians.

The Colorado Attorney General’s Office has not proposed custodians for the Colorado Behavioral Health Administration, Department of Education, or the Department of Human Services. Nor has it produced information that is sufficient to allow Meta to identify a representative set of custodians that covers the relevant time period and subject matter for each agency. Accordingly, Meta requests that the Court require those Colorado agencies to identify custodians that meet that criteria within three days of the Court’s order resolving this dispute. Meta reserves the right to request additional custodians in a meet and confer to be scheduled promptly after the agencies’ disclosure of an initial proposed custodian set.
